

PANDORA COLLABORATED COLOR

Painting instructions:

Thank you for purchasing PANDORA COLLABORATED COLOR.

Please read this instruction manual carefully before using.

1. Before painting, be sure to perform pretreatment such as cleaning, degreasing, sanding, and primer treatment.
2. Dilute 100-150% with micro bottle thinner before use.
3. Please do not apply a thick coat at once, but divide it into several coats.
4. When painting from the outside of the painting object, please finish with topcoat clear. When painting from the back of polycarbonate such as a radio control body, backing with PC binder white will give you more beautiful finish.

Precautions for use:

If you feel any abnormality in your body during or after use, please consult a doctor immediately.

If it gets into your eyes or mouth, rinse with plenty of water and seek medical advice immediately.

When working make sure to wear a mask, protective gloves, and protective clothing, and avoid prolonged inhalation.

In addition, since there is a possibility of ignition, do not leave it in a hot place or near fire.
